TOWN MANAGER FY 2021 BUDGET TRANSMITTAL LETTER

December 28, 2020

The Honorable Mayor Anthony Garcia and the Town Board of Trustees
Town of Center
PO Box 400
294 South Worth Street
Center, CO 81125

Dear Honorable Mayor Garcia and members of the Town Board of Trustees:

We present to you and the citizens of the Town of Center a Proposed FY 2021 Town Budget.

For FY 2021, the total tax levy will increase from 21.067 mills to 22.401 combined for both Saguache and Rio Grande Counties, given a slight decrease of the Town's taxable valuation for both Rio Grande County and for Saguache County. The budget has been projected based upon the total taxable valuation for all personal and real property in the Town of Center. In Saguache County, the total taxable value in 2021 is \$4,784,867. Total taxable valuation for the Town in 2020 was \$4,861,491. In Rio Grande County, the total taxable value in 2021 is \$5,967,880. Total taxable valuation for the Town in 2020 was \$5,971,195.

The Town will certify the valuations for both counties by December 15, 2020.

The proposed budget has been prepared with consideration to fund all current programs and services as well as plan for capital improvement projects such as Road improvements and Electrical system upgrade. In this budget you will see the creation of an Economic Development Fund, to be funded by .5% sales taxes, to be used strictly for Economic Development for the Town. Requests for programs, equipment, and projects will be addressed and funded whenever possible. This budget, as presented, is balanced and provides for positive fund balances in all funds.

This budget is presented to the Mayor and Town Board with the highest expectations that together, we will continue the tradition of delivering the highest quality of public services to our citizens and businesses.

Respectfully Submitted,

Brian Lujan
Town Administrator/Clerk

TOWN OF CENTER 2021 BUDGET MESSAGE

Below is a summary of the budget format.

- The first pages of the budget are the Summary of Revenues and Expenditures for the General, Conservation Trust, Street Improvement, Light & Power, Natural Gas, Water Funds and Economic Development Fund. These pages' detail Fund Balances Reserves Forward, Revenues, Expenditures, Revenue in Excess of Expenditures, and Total Reserve Balances. Previously, fund balances were not denoted on the budget.
- The General Fund Revenue page details the typical revenues derived from taxes, assessments, licenses, permits, intergovernmental, charges for services, fines and miscellaneous revenue. Additionally, detailed is revenue for a new fund titled Administrative Fund which is established to track expenses that are also incurred in other funds. Expenses such as attorney, audit, elected and appointed official compensation, computer and technical support, office supplies and equipment are paid from revenue committed by other funds that share these expenses.
- The Utility Fund Revenue page details expenses in the Light & Power, Natural Gas and Water Funds. Revenues are derived from the sale of utility products such as electricity, natural gas and water. Sales tax is collected for the sale of electricity and natural gas and detailed by fund. Other service revenues and fees are also detailed by fund on this page.
- The Expenditure page details all the expenditures associated with all General Funds (Administration, Public Safety, Streets & Parks and Municipal Court), Utility Funds (Light & Power, Natural Gas and Water), Administrative Fund and Contractual Funds (Solid Waste).
- The departmental and utility budget pages include expenditures for personnel, operation, and maintenance and capital improvements.
- Lastly, the Conservation Trust Fund account is detailed with both revenues, expenditures and fund balances.

The 2021 budget provides separation for typical general funds, enterprise and restricted funds. The General Fund is the fund that manages the general operation of the Town. Specifically, the Light & Power, Natural Gas and Water Funds are enterprise

funds and the Conservation Trust, Street Improvement and Economic Development Funds are restricted funds.

Enterprise funds are maintained separately due the nature of the fund and activity. Restricted funds are earmarked or restricted for specific expenditures.

The 2021 budget details revenues that are similar in value in most funds to the previous budget, which is due to little or no growth in the economy, however the revenues have increased in the General Fund due to a 2% sales tax increase and the Water Fund due to installation of water meters and a water rate structure to capture an increase revenue for residential and commercial clients water usage. This has been the only major changes in revenue streams and the Town will focus on securing all revenues due to them.

The budgetary basis of accounting used by the Town of Center is the Modified Accrual Basis. Overall the financial operations of the Town and its Utilities are operating effectively and areas for improvement are always being considered.
